i If you have insurance through your external fund(s) it won't be automatically brought across to us when you transfer your benefit. Consider your insurance needs and apply to transfer across or replace cover in your superannuation account with us. Insurance isn't offered in the retirement income stream.

Additional declarations for external transfers

- I understand that I may ask my FROM fund for information about fees or charges that may apply, or any other information about the effect this transfer may have on my benefits, and have obtained or do not require such information.
- I discharge the superannuation provider of my FROM fund from all further liability in respect of the benefits paid and transferred to Aware Super.
- I request and consent to the transfer of superannuation as described in this form and authorise the FROM fund to give effect to this transfer.
- I authorise Aware Super and its administrator to request and receive information from the FROM fund.
- I understand the benefits will be transferred to my superannuation account and not directly to my retirement income stream.

5.2 If you want to contribute extra money before you start

Once you start a retirement income stream, you can't add money to it. If there are any outstanding contributions that are to be added to your account before starting your retirement income stream, please record the details here:

Instructions for completing the ATO's Tax file number declaration form

Information you provide in this declaration will allow your payer to work out how much tax to withhold from payments made to you.

Question 1

What is your tax file number (TFN)?

You should give your TFN to your employer only after you start work for them. Never give your TFN in a job application or over the internet.

The ATO and your payer are authorised by the Taxation Administration Act 1953 to request your TFN. It's not an offence not to quote your TFN. However, quoting your TFN reduces the risk of administrative errors and having extra tax withheld. Your payer is required to withhold the top rate of tax from all payments made to you if you do not provide your TFN or claim an exemption from quoting your TFN.

How do you find your TFN?

You can find your TFN on any of the following:

- your income tax notice of assessment
- correspondence the ATO sends you
- a payment summary your payer issues to you.

If you have a tax agent, they may also be able to tell you your TFN. If you still can't find your TFN, you can:

- phone the ATO on 13 28 61 between 8.00am and 6.00pm, Monday to Friday
- visit your nearest shopfront (phone the ATO on 13 28 61 to make an appointment).

If you phone or visit the ATO, they need to know they are talking to the correct person before discussing your tax affairs. The ATO will ask you for details only you, or your authorised representative would know.

What if you don't have a TFN?

If you don't have a TFN and want to provide a TFN to your payer, you will need to apply for one. For more information, visit ato.gov.au/tfn

Claiming an exemption from quoting your TFN

You can claim an exemption from quoting your TFN if you:

1. have lodged a TFN application form or made an enquiry to obtain your TFN. You now have 28 days to provide your TFN to your payer, who must withhold at the standard rate during this time. After 28 days, if you have not given your TFN to your payer, they will withhold the top rate of tax from future payments
2. are claiming an exemption from quoting a TFN because you are under 18 years of age and do not earn enough to pay tax, or you are an applicant or recipient of certain pensions, benefits or allowances from the:
 - Department of Human Services – however, you will need to quote your TFN if you receive a Newstart, Youth or sickness allowance, or an Austudy or parenting payment
 - Department of Veterans' Affairs – a service pension under the Veterans' Entitlement Act 1986
 - Military Rehabilitation and Compensation Commission.

If you want to claim an exemption for one of these reasons, please enter 1 or 2 in the box at Question 1.

Providing your TFN to your super fund

Your payer must give your TFN to the super fund they pay your contributions to. If your super fund does not have your TFN, you can provide it to them separately. This ensures:

- your super fund can accept all types of contributions to your accounts
- additional tax will not be imposed on contributions as a result of failing to provide your TFN
- you can trace different super accounts in your name.

For more information about providing your TFN to your super fund, visit ato.gov.au/supereligibility

Question 2-5

Complete with your personal information.

Question 6

On what basis are you paid?

Check with your payer if you are not sure.

Question 7

Are you an Australian resident for tax purposes?

Generally, the ATO consider you to be an Australian resident for tax purposes if you:

- have always lived in Australia or you have come to Australia and now live here permanently
- are an overseas student doing a course that takes more than six months to complete
- migrate to Australia and intend to reside here permanently.

If you go overseas temporarily and do not set up a permanent home in another country, you may continue to be treated as an Australian resident for tax purposes.

Foreign resident tax rates are different

A higher rate of tax applies to a foreign resident's taxable income and foreign residents are not entitled to a tax-free threshold nor can they claim tax offsets to reduce withholding, unless you are in receipt of an Australian Government pension or allowance.

To check your Australian residency status for tax purposes or for more information, visit ato.gov.au/residency

Question 8

Do you want to claim the tax-free threshold from this payer?

The tax-free threshold is the amount of income you can earn each financial year that is not taxed. By claiming the threshold, you reduce the amount of tax that is withheld from your pay during the year.

Answer **yes** if you want to claim the tax-free threshold, you are an Australian resident for tax purposes, and one of the following applies:

- you are not currently claiming the tax-free threshold from another payer
- you are currently claiming the tax-free threshold from another payer and your total income from all sources will be less than the tax-free threshold.

Answer **yes** if you are a foreign resident in receipt of an Australian Government pension or allowance.

Otherwise answer **no**.

If you receive any taxable government payments or allowances, such as Newstart, Youth Allowance or Austudy payment, you are likely to be already claiming the tax-free threshold from that payment.

For more information about the current tax-free threshold, which payer you should claim it from, or how to vary your withholding rate, visit ato.gov.au/taxfreethreshold

Question 9

a) Do you have a Higher Education Loan Program (HELP), Student Start-up Loan (SSL) or Trade Support Loan (TSL) debt?

Answer **yes** if you have a HELP, SSL or TSL debt. Answer **no** if you do not have a HELP, SSL or TSL debt, or you have repaid your debt in full. You have a HELP debt if either:

- the Australian Government lent you money under HECS-HELP, FEE-HELP, OS-HELP, VET FEE-HELP or SA-HELP.
- you have a debt from the previous Higher Education Contribution Scheme (HECS).

b) Do you have a Financial Supplement debt?

Answer **yes** if you have a Financial Supplement debt. Answer **no** if you do not have a Financial Supplement debt, or you have repaid your debt in full.

For information about repaying your HELP, SSL, TSL or Financial Supplement debt, visit ato.gov.au/getloaninfo

Have you repaid your HELP, SSL, TSL or Financial Supplement debt?

When you have repaid your HELP, SSL, TSL or Financial Supplement debt, you need to complete a *Withholding declaration* (NAT 3093) notifying your payer of the change in your circumstances.

Sign and date the declaration

Make sure you have answered all the questions, then sign and date the declaration. Give your completed declaration to your payer to complete.

Before you make a decision about investing in a retirement income stream, you should read the current *Member Booklet*. The *Member Booklet* is available on our website and it is also available free of charge by contacting us.

Your tax file number details

Please make sure you read the information about tax file number (TFN) disclosure on page 37 of this *Member Booklet*.

If you are 60 or more, you can provide your TFN in Section 1 of the application form.

If you are under 60, you will need to provide your TFN and answer the questions in the *Tax file number declaration that follows page 6*. Please read the notes on the back of this form before completing the form. If you don't provide your TFN on this form, we must tax the taxable component of your payments at the highest marginal tax rate (plus Medicare levy). The information you provide allows us to determine the amount of PAYG tax to deduct from payments made to you. It is not compulsory to supply your tax file number. If you need any help completing these questions give us a call or visit the ATO website ato.gov.au/forms and search for 'tax file number'.

How will your income stream be set up?

Your Aware Super superannuation account

The money you wish to use to start a retirement income stream must be held in an Aware Super superannuation account before you can start a retirement income stream.

If you have an existing superannuation account with us or you open a new account online, please provide your member and account numbers, otherwise attach a copy of your application to open a personal account. This is the account we will use to start your retirement income stream.

Bring your money together (consolidate) before you start

You need a minimum of \$20,000 to set up your Aware Super retirement income stream.

You can start a retirement income stream using money from a number of different sources, including different super sources (e.g. money from other super funds and other income streams) and non-super sources (e.g. term deposits or the proceeds from the sale of shares and property).

If you have other super account balances or non-super money that you would like to use to set up your retirement income stream, you should first bring all these amounts together into your Aware Super accumulation account. You can transfer money from other super funds into your Aware Super accumulation account online at aware.com.au/combine. Alternatively, you can nominate the super you want to consolidate on the form and we will arrange the rest for you.

Investment options and drawdown choices

Investment options

See **Your investment options** on page 13 of the *Member Booklet* for information about the investment options available.

Drawdown choices

If you invest in more than one investment option, you can choose which options your income payments will be drawn from first, second, third, etc. When your first choice has been fully drawn, we will draw your income stream from your second choice and so on. **You must nominate a priority for all your chosen options or we will not be able to accept your drawdown nomination.**

You can also draw income payments from your investment options as a percentage. You can only set this up online so you'll have to register for online access once your account has been set up then log in to your account to record your percentages.

If you don't choose either of these methods, the pro-rata method will be applied. This means payments will be drawn from your investment options in the same proportion that they are invested on the date the payment is made. For example, if you have 30% in High Growth and 70% in Growth, then 30% of your income stream payment will be drawn from the High Growth option, and 70% from the Growth option.

Reversionary beneficiary nomination

You can choose what happens to your retirement income stream if you die. Your death benefit nomination options are:

- a reversionary nomination; or
- a binding nomination; or
- a non-binding nomination.

If you nominate your spouse as your reversionary beneficiary, your retirement income stream will continue to be paid to your spouse (if your beneficiary is still your spouse at the time of your death and has not permanently separated from you). Your spouse has the option of commuting the income stream account and taking it as a lump sum. If your spouse changes, you can nominate your new spouse as your reversionary beneficiary by completing a new *Income stream death benefit nomination* form.

Alternatively, you can make either:

- a binding death benefit nomination. If the nomination is valid, it binds the trustee to pay your benefit to your nominated beneficiaries; or
- a non-binding nomination. A non-binding nomination records your beneficiary preferences but the trustee has the final decision about the distribution of your benefit.

Please refer to the *Member Booklet* for information on nominating beneficiaries. If you wish to make a binding or non-binding nomination, you must complete the appropriate nomination form available on our website at aware.com.au/forms, and from customer service.

Payment frequency and amount

Payment frequency

You can receive your payments fortnightly, monthly, quarterly, half yearly or yearly. If you start your retirement income stream in the month of June, you can elect to start the payments in the following financial year.

It can take up to 10 business days once we have the form(s) (and money) to start your retirement income before we can make your first income stream payment. However, if you need your first payment urgently, please contact us. You can also ask us to defer your first payment until later in the year if you are setting up your retirement income stream in advance of needing payments. But remember, you must take at least the minimum payment amount for the financial year.

Payment amount

You can choose the amount of income stream payments you receive each financial year, provided you receive the minimum payment amount set by the government. The amount you nominate is a gross amount, i.e. before any tax is deducted (if applicable). You must nominate the amount you would like to receive each payment. We will send you a letter in July each year that tells you the minimum amount you must withdraw. After you receive this letter, if you want to change the amount, you can tell us the amount you wish to receive for that financial year.

Minimum payment limit

The minimum payment limit is calculated as a percentage of your account balance based on your age, rounded to the nearest \$10. Your age, the minimum payment limit and your account balance are calculated at the time the retirement income stream starts, then on 1 July each subsequent year. If you start your retirement income stream part way through a financial year, the minimum payment limit for the first year will be reduced on a pro-rata basis based on the number of days between your retirement income stream start date and the end of the financial year.

The minimum payment limits are:

Age at start of retirement income stream (and 1 July each year)	Minimum limit (percentage) for the 2020/21 financial year	Minimum limit (percentage) from 2022/23 financial year
Under 65	2%	4%
65-74	2.5%	5%
75-79	3%	6%
80-84	3.5%	7%
85-89	4.5%	9%
90-94	5.5%	11%
95+	7%	14%

Your bank account details

Under superannuation law, we must pay your income stream payments into an account in your name or a joint account you hold with another individual(s). We can't make payments to a third party bank account.

Proof of identity (POI)

We require proof of your identity before we can start your retirement income stream. If you have already provided proof of identity you do not have to provide it again, as long as you don't change your name or the bank account you've nominated to receive payments and withdrawals. If either of these have changed you must provide proof of identity in order for us to verify the change(s):

Change of name

If you have changed your name, you must provide a certified copy of one of the following name change documents:

marriage certificate or certificate of registration (if you are on the relationship register) issued by the Births, Deaths and Marriages Registration Office (ceremonial certificates cannot be accepted)

deed poll or change of name certificate from the Births, Deaths and Marriages Registration Office. If you have reverted to your maiden name, we will require your marriage certificate (from the Births, Deaths and Marriages Registration Office) showing your original maiden name and your married name.

Change of bank account details

You need to provide proof of identity documents when setting up or updating the bank account you're nominating to receive payments into. You can provide your identification for electronic verification in the proof of identity step of this form. Alternatively, you can provide certified proof of identity.

Power of attorney

If you are starting a retirement income stream on behalf of the member as the holder of their Power of Attorney, you must provide certified copies of POI documents for yourself and the member.

Updated and additional POI

We may request updated and/or additional certified POI documents at any time if we consider this is necessary for the security of our members' benefits.

Providing electronic proof of your identity

To verify your identity electronically, you can provide two government-issued identification documents - such as your Australian Passport, Driver's Licence and Medicare Card within the proof of identify step of this form. Alternatively, you must provide certified proof of identity document(s). Refer to the acceptable documents list below.

Acceptable documents and certification

The primary and secondary documents we accept are shown below. The people who can certify these documents are also shown on the next page.
