

Insurance in superannuation

Key Facts Sheet

This fact sheet refers to our automatic insurance cover for Employer Sponsored Division members[†] and should be read in conjunction with the relevant *Member Booklet Supplement: Insurance*.

Please call us if your insurance was initially provided by Health Super as your automatic insurance cover arrangements may be different.

Insurance can give you peace of mind. It can provide financial support and help protect what's important to you if you die or have to stop work because of illness or injury.

If eligible, we provide automatic insurance cover with premiums deducted from your super account, so you don't have to remember to pay for it.

Don't forget, if you or your employer stop making contributions, your insurance will continue, and premiums will still be deducted from your super account[‡]

You can apply to change or **cancel** your automatic insurance cover at any time.

Other eligibility conditions?

- To be eligible for automatic cover you must be at least age 25 and have a super account balance of at least \$6,000 or more (the date this happens is referred to as the 'Eligibility Date'). Automatic cover won't be activated if you previously had or chose to opt out of automatic cover under your existing Aware Super account. If you've been notified by us as working in a 'dangerous occupation', refer to your relevant *Member Booklet Supplement: Insurance* for the automatic cover eligibility conditions that apply to you.
- Automatic cover commencement date is determined based on when we receive your first superannuation guarantee contribution from a participating employer after your Eligibility Date.
- If you don't meet the age and account balance eligibility for automatic cover, you may apply for early automatic cover. For more information on early automatic cover refer to the *Member Booklet Supplement: Insurance (Employer Sponsored)*.

[†] Excludes Personal Division, Police Blue Ribbon Insurance only and Ambulance Officers' Insurance only members

[‡] Insurance cover will end if your super account becomes inactive. Inactive means an amount (i.e. contribution or rollover) hasn't been received in your account for 16 consecutive months.

* Limited Cover means you're only covered for claims arising from an illness which first becomes apparent, or an injury which first occurred, on or after the date the cover started or, if the cover recommenced or was reinstated on or after the date the cover recommenced or was reinstated. For more information on limited cover circumstances and conditions that apply, refer to your relevant *Member Booklet Supplement: Insurance*.
