

Great reasons to choose us

Do well for yourself and good for the community with Aware Super

Your super may be the most important investment you make after your home. That's why we believe you shouldn't have to choose between doing well financially and doing good in the world.

Our **765,000+** members come first, and we welcome everyone

Five reasons to join Aware Super

- 1 High performance with responsibility**
 We're proving investing in good is great. Our strong performance* has earned us awards including:

 - **SuperRatings' platinum** performance every year for the past 15 years
 - **Chant West Best Fund Integrity** 2019
 - **Best Public Sector Fund 2019** Super Review.
- 2 Profits go to you, not shareholders**
 We're an Industry Fund so all profits go into member benefits like low fees and other services to make your super work harder for you.
- 3 Putting members first to benefit everyone**
 Our members expect us to invest responsibly for their future, in assets that make a positive difference today. Assets that create jobs, address climate change and strengthen our communities, as well as providing strong returns*.
- 4 You're in control with us**
 You have access to the right tools, education and advice to make good financial choices. Plus, easily accessible Australian-based services over the phone and at over 44 locations across Australia. Our financial planners are salaried so they're focussed on helping you achieve better financial outcomes.
- 5 Growing for your future**
 Our large size helps us negotiate better deals for members. Benefits like lower fees, access to better investment opportunities that drive higher returns* and improved member products and services. We aim to keep growing, because the bigger we are, the better we can deliver value to our members and improve their retirement outcomes.

Past performance is not a reliable indicator or a guarantee of future performance.
 * Strong returns refers only to our Accumulation Fund, Growth Option.

Use Search & Combine to save fees

Consolidating your super is quick, easy, and free using our Search & Combine tool.

1. Go to Consolidate My Super on the App or the 'Consolidate your super' page on our website
2. Enter your member number and a few personal details
3. We do the rest.

Before transferring super from another fund, check for any exit charges that may negatively impact your balance, and if you can get equivalent insurance with us. To discuss your insurance options set up a no-cost phone appointment with one of our Super advisers.
